Dear Sponsor,

The *Golden Love & Relationship Panel's* purpose is to promote and spread love within the South Florida communities. There will be over 300 plus people at attendance from all over Florida, but mainly from Palm Beach, Broward, and Miami-Dade Counties.

Our goal is to promote healthier and stronger relationships, and to ultimately build happier marriages. Our relationship panel and speed dating segments are going to pull in singles and couples. We are hoping to have this event on a regular basis, and perhaps monthly, but for now December 9th, 2017 at Escape Lounge & Restaurant in Fort Lauderdale is our focus.

As you consider supporting our event by becoming a sponsor, please know that you are backing a worthy and much needed movement. There are too many millennials giving up on love, blurred family roles, and the older adults are refusing to get remarried. Our youth deserve to see with their own eyes what true love looks like – we are focused on making this happen, starting TODAY!!

Below we have three wonderful package options to select from.

Sincerely,

King Kevin Dorival
